

HOEFLON

C1

SMALL BUT
POWERFUL

HOEFLON[®]

HOEFLON C1 PICK AND CARRY

The C1 mini-crane is small yet powerful! Its compact size allows you to transport this mini-crane on a trailer or in a van. The crane fits in a lift, which makes transport to an upper floor or the roof as easy as can be.

Thanks to the crawler tracks, the crane can easily drive over a rough surface yet causes no damage to floors that are already finished. The crane makes use of smart software that guarantees workplace safety.

The C1 is the ultimate solution for lifting glass panels and other heavy construction materials to difficult-to-reach places at a project site.

Standard

Standard configuration

Capacity	550 kg
Boom outreach	4.6 m, and 3.3 m without options
Hoisting height	5.6 m, and 4.4 m without options
Transport position (l x w x h)	1.75 x 0.7 x 1.26 m
Total weight	960 kg, and 1060 kg with options
Boom angle	-5 to 75°
Boom system	Cylinder and chain system
Slewing angle	136°
Driving speed	1st gear 0.5 km/h 2nd gear 1.1 km/h
Drive	Battery
Inclination angle, driving	20°
Tilt angle, driving	22°
Ground pressure, tracks, transport	0.28 kg/cm ² 0.31 kg/cm ² fully configured 1.04 kg/cm ² with payload (780 kg)
Extendible, removable ballast	290 kg
Transport rack	150 kg
Sound pressure level	65 dB

Accessories/Options

Dimensions with options (l x w x h)	1.86 x 0.94 x 1.4 m fully configured
Winch (50 kg) 1	460 kg
Winch cable	25 m
Winch head	12 kg
Extension section (11 kg) 2	925 mm
Adjustable section	30° adjustment range
Tracks 3	non-marking
Storage box 4	
Converter	230V / 24V

C1 IN A NUTSHELL

- › Radio control
- › Battery drive
- › Slews in both directions
- › With hoisting winch
- › Driving with load

With fly-jib
